

# YOUR PROPERTY VALUES ARE UNDER ATTACK!

**Did you know** that the expansion of the city's already huge NW 39th Avenue industrial garage is still under consideration, despite our unanimous victory to stop this at a Development Review Board hearing last year? The falling housing market is bad enough! ....

**DO NOT LET THE CITY MAKE THINGS EVEN WORSE FOR YOU!**

On **Monday February 18 at 6:00 p.m.** your city commission will hold a special Public Meeting. The fate of our neighborhood will be decided then.

**YOU ARE NEEDED!**

Please come help your neighbors by filling the auditorium and speaking out against the garage expansion; or simply come and be counted. Your presence **DOES MATTER!**

Where:

**City Hall Auditorium  
200 East University Avenue**

**Want to know more about the issue?**

Members of the Stephen Foster Neighborhood Protection Group are pleased to answer your questions about the facility & our ongoing struggle.

Maria 682-1878 • Susan 384-0111 • Jerry 371-8636

**IMPORTANT NOTE:** Before you head to City Hall on 2/18/08, we suggest that you confirm the meeting has not been postponed by calling the City of Gainesville Clerk of Commission at 334-5015.
